## Super Heavy Crushed TOMATOES

### The CONTE Brand

#### *"It's the Original"*

The year is 1920; Arturo Conte and his beloved wife owned a small but thriving farm in Perkasié, Pennsylvania. Being of Italian heritage, the Conte's love for growing tomatoes was natural. Yearning for the original taste of the authentic Italian cuisine he loved in Italy, Conte began crushing his fresh tomatoes to serve as a base ingredient in his favorite recipes. News of the fresh crushed tomatoes spread quickly and soon everyone wanted to experience the original taste. Today, the process of growing, crushing and packing the Conte line of tomato products remains true to its Italian heritage. Thanks to the Conte tradition, now you too can experience the taste of the true original.

**Super Heavy Crushed Tomatoes** are processed from “fresh” vine-ripened whole tomatoes. The tomatoes are washed, sorted, chopped, and pulped to the proper texture. They are then concentrated to the desired consistency for a super heavy, high-yield product.

Ingredients

Crushed tomatoes, salt, and citric acid.
